General information:

This event will be conducted under the approved 2011 NEHA Rules and NEHA Championship points will be awarded for all approved NEHA competition classes. Rally America will also be including all the NEHA hillclimb events in their schedule. These and all NEHA are open to generally all street cars and most race cars. Please see the Technical Regulations section of the www.hillclimb.org website for full details.

Scoring for the regular hillclimb entrants will be based on their fastest time on Sunday (unless Sunday is rained out then Saturday times will be used.) Rally car team results will be based on cumulative times for all their runs from both days. There is a break out time of 3:20 which is explained at www.hillclimb.org. If you go faster than 3:20 twice at the same event, you must have a roll cage installed.

Minimum safety requirements for street cars are - Snell SA2005 (no M rated allowed.) You must have at least a 2.5 lb ABC fire extinguisher securely mounted in your car with a METAL bracket. Make sure your driver's license is up to date as well. See the Technical Regulations section of www.hillclimb.org for full details. **There is a 55 car limit for this event so register early to ensure your spot!**
