

# NEHA 2011 Rule Changes

Disclaimer: This is just intended to be a quick summary of the changes. See the rules for the actual changes.

## General Regulation Changes

The location for posting announcements pertaining to the event will be announced during the drivers meeting. Drivers are responsible for being aware of updates at all times.

Any participant displaying unsportsmanlike conduct or unacceptable behavior, as defined by the chairperson, may be removed and/or disqualified from the event by the chairperson. The board of directors of the sponsoring club reserves the right to take further action, including barring entry from one or more future events sponsored by the affected club.

## Classification Changes

No changes for 2011

## Technical and Safety Changes

No real change but the text of the helmet rule was modified to say helmets must be SA 2005 or FIA. The old rule said the same was true for the 2011 season.
